

We're tickled pink (er, *bronze*)
to provide award-winning care.

As an American Health Care Association (AHCA) quality award winner, our community strives to achieve, and exceed, industry standards for excellence and quality care. We're dedicated to helping our patients and residents achieve better health by offering an ideal combination of clinical and therapeutic outcomes and personal wellness goals. That's the Mission Experience.

Short-stay transitional care | Rehab therapies | Long-term care

How may we help you? **785-462-6721**
